

Abortion Language Check

The words we use shape how people feel, decide, and seek care.

Abortion isn't just a medical experience — it's shaped by ***culture, fear, and stigma.***
The language we use can either create safety or reinforce shame.

Language That Harms

“Irresponsible”

“Unnatural”

“Mistake”

“Should’ve known better”

These words blame, judge, or silence.

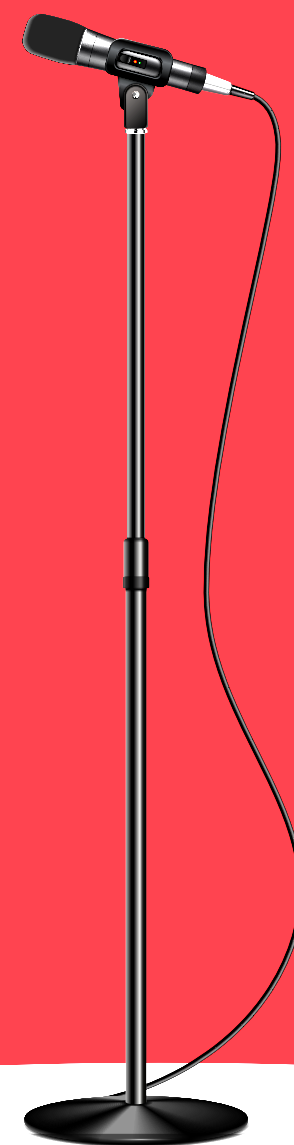

LANGUAGE THAT EMPOWERS

“Choice”

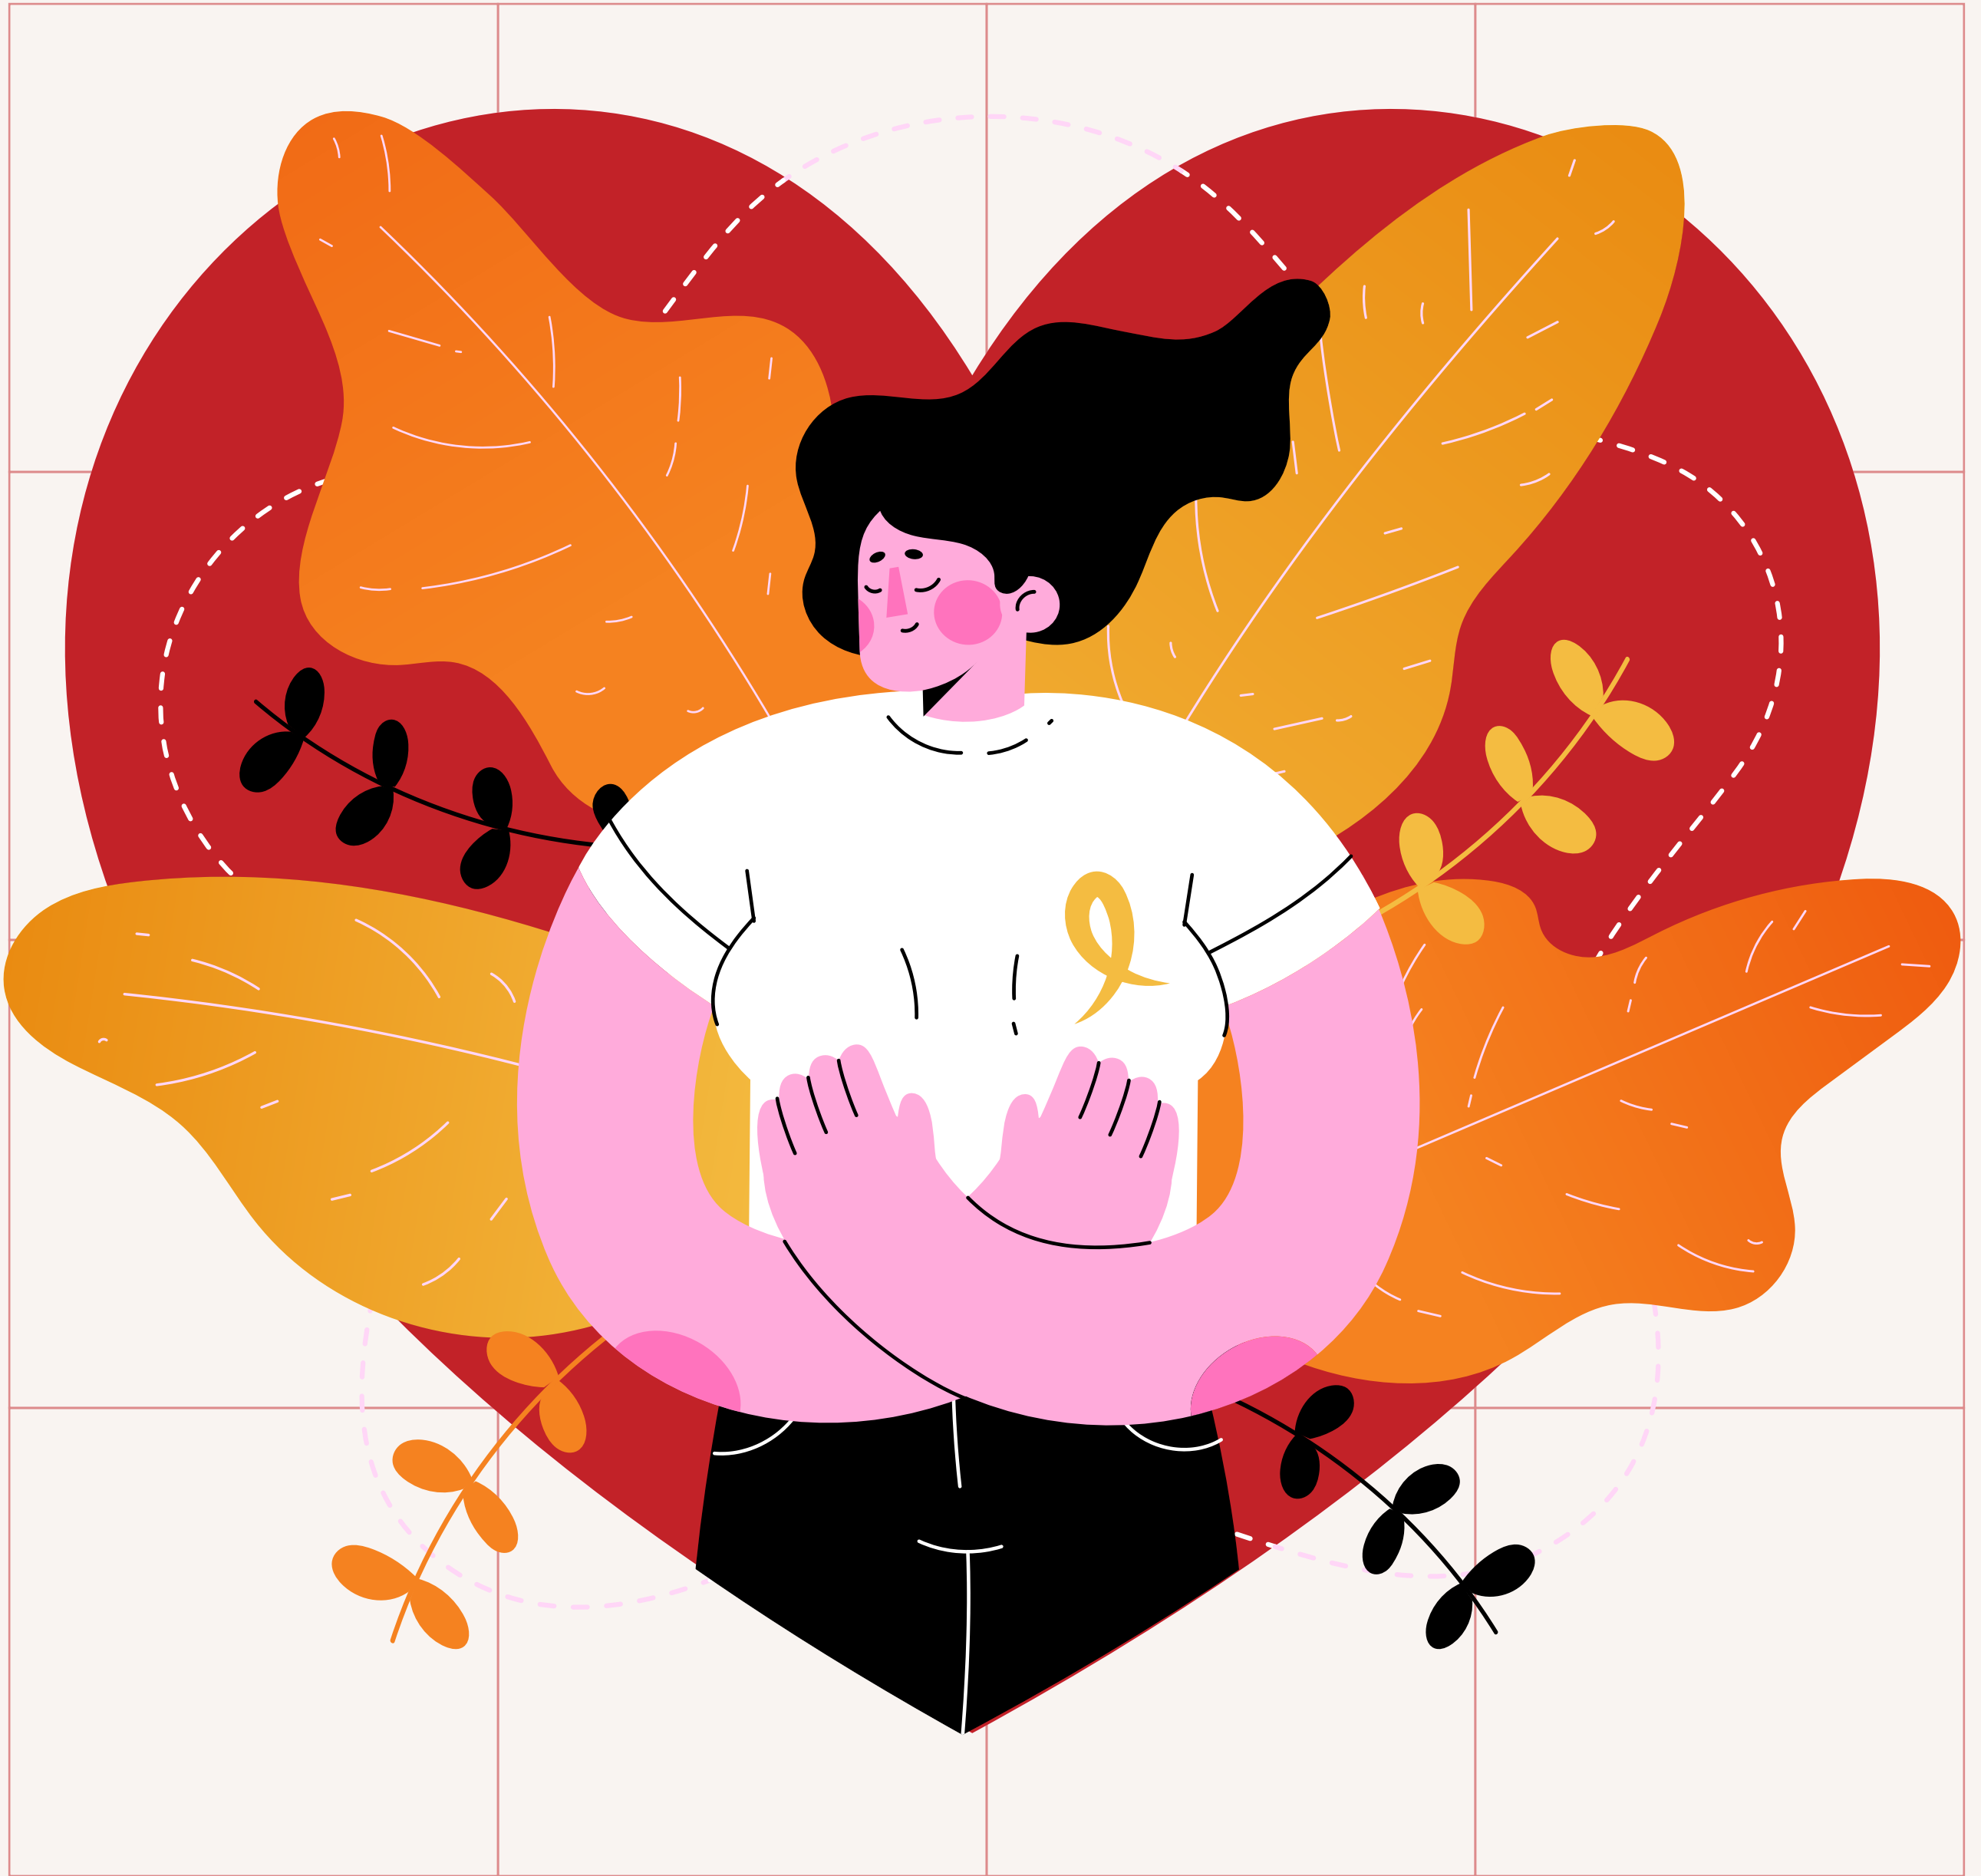

“Decision”

“Care”

“Choice”

These words respect autonomy and dignity.

Language doesn't just describe abortion,
It shapes how safe people feel talking
about it.
