

# WHAT TO DO IF A CLINIC REFUSES ABORTION CARE

**If a clinic says no, know this:** Abortion is legal in India up to 24 weeks under the MTP Act.

**You have the right to safe, legal care** – whether you're married or not. Refusal based on judgment or bias is not justified by law and can be challenged.

# IF REFUSED CARE

Ask for the reason in writing

Find another Registered Medical Practitioner (RMP)

Contact a trusted facility or helpline

Seek legal or rights support from NGOs or human rights groups

Reach out to the Pratigya Campaign  
- DM or comment for help

***Refusal without cause isn't care. It's a violation.***
